

## **Hydraulic Straw/Fiber Blend**

### **PRODUCT INFORMATION**

#### **GENERAL INFORMATION:**

**FiberWood Hydraulic Straw/Fiber Blend** is a hydroseeding mulch made of certified weed-free rice straw, recycled paper and other natural materials. Fiber is colored Malachite Green and will not stain concrete or other surfaces. FiberWood Straw/Fiber Blend does not contain growth inhibiting additives. FiberWood Straw/Fiber Blend does NOT contain tackifier; therefore the amount of tackifier added shall be governed by terrain and weather conditions. Follow tackifier manufacturer's instructions. This product shall be applied as a slurry via hydroseeder.

#### **MIXING RATES:**

- 55 lbs per 100 gallons for hose work
- 70 lbs per 100 gallons for tower work

Add additional water if slurry appears too thick.

#### **APPLICATION RATES:**

Apply FiberWood Straw/Fiber Blend based upon slope, terrain and weather conditions.

2,000 lbs. / acre for turf

2,500+ lbs. / acre for erosion control

Apply more based on steepness of slope, overall terrain, binding agent and weather conditions.

“Rain on” material for best results.

Mix tackifier per manufactures recommendations.

#### **MIXING INSTRUCTIONS:**

Run water until tank is ¼ full. Start agitator(s) and add fertilizer and seed first. Add FiberWood

Straw/Fiber Blend before tank reaches ¾ full. Stop water flow if necessary. Finish by mixing thoroughly for best results. Add tackifier per manufactures instructions.

**APPEARANCE:**

FiberWood Straw/Fiber Blend is Malachite Green in color when first applied. As the product cures the color will fade. Color will not stain concrete or other surfaces.

**PHYSICAL PROPERTIES:**

Recycled Content (min.)	35% +/- 3%
Organic Material	65% +/- 3%
Moisture Content	12% +/- 3%
pH	6.6 +/- 0.5
Toxicity	Non-Toxic
Color	Malachite Green
Fiber Length	3/4" +/- 1/4"

**APPLICATION EQUIPMENT:**

For best results use a hydroseeder with mechanical paddle agitation.

**PACKAGING AND SHIPPING DATA:**

Bag Size	17" x 10" x 40"
Bag Weight	50 lbs.
Pallet	40 Bales (52W x 45D x 96H)
Full Truck	22 Pallets, 880 Bags
Packaging	Moisture Resistant Bag

Manufactured by FiberWood, LLC, 4342 Dudley Blvd. 475C, McClellan, CA. 95652. For questions regarding this product, contact FiberWood, LLC. Phone (916)-565-3848; Fax (916) 565-3888, email FiberWood.com.
